PROBLEM STATEMENT

Fans can only watch!, fans do not get direct or first-hand experience with their favorite soccer teams, limited fan engagement and limited access for global fans to connect with teams.

SOLUTION

Fans-Space allows fans to be able to have a first-hand experience interacting with their favorite teams, by holding fan tokens which give fans the ability to vote in polls, easier access to VIP experience.

BENEFITS

- ❑ Strengthen fan engagement on a global scale.
- ❑ Increase fans loyalty.
- ❑ Increase revenue from token sales and brand exposure.

A soccer ball with a colorful, abstract pattern of blue, orange, and green swirls on a white background. It is positioned on a green grass field. In the background, a large stadium with many rows of seats is visible under a clear sky. A green semi-transparent shape covers the bottom left and bottom center of the image, containing the text 'Features' and a list of four items.

Features

- ❑ Unlimited access to voting polls.
- ❑ Trade token with other tokens holders.
- ❑ Wider access to loyalty programs and perks.
- ❑ Lifetime access to tokens.
